Thanks to the 3rd Graders at Dynard Elementary School

PTFC would like to extend our heartfelt thanks to the fabulous 3rd graders at Dynard Elementary School, and the entire community, in Chaptico, Maryland. The students, under the leadership of their teacher, Brandy Sutor, voted to collect tabs for PTFC. In an ambitious campaign, which ran from March through May 2009, they collected more than 71 pounds (that's one hundred ten thousand pull tabs)!! The effort put forth by the Dynard 3rd graders and the entire community was truly amazing and we are extremely grateful.
